

Mississippi ACLU Survey

June 28-July 6, 2022

N = 872

Q1 How likely are you to vote in the 2022 general elections in November? Would you say you will definitely vote, probably vote, the chances are 50/50 or that you probably will not vote?

87.6% Definitely voting
12.4% Probably voting

Q2 Do you believe Mississippians have a general right to privacy in making decisions related to their bodies?

83.8% Yes
10.4% No
5.8% Unsure

Q3 Do you agree or disagree with the Supreme Court's decision to overturn the right to an abortion?

41.7% Agree
50.8% Disagree
7.5% Unsure

Q4 Please tell us which is closer to your opinion

30.8% Abortion should be legal under any circumstances
47.7% The state has the right to some restrictions on abortion
17.7% Abortion should be illegal in all cases
3.8% Unsure

Q5 If you believe there is a right to privacy, do you believe the state legislature has the power to intervene and force a woman to stay pregnant?

24.2% Yes
64.9% No
10.9% Unsure

Q6 Do you believe Mississippi women should have the choice to have an abortion up to 16 weeks of pregnancy?

45.9% Yes
43.2% No
11.0% Unsure

Q8 In 2011, Mississippi voters rejected adding a "personhood amendment" to the state's constitution. The amendment would have defined a fertilized egg as a person. The Personhood Amendment would have banned all abortions at any stage and for any reason, as well as many forms of birth control and even in-vitro fertilization. Do you support the legislature passing similar laws that would define a fertilized egg as a person?

36.7% Yes
53.8% No
9.4% Unsure

Q9 Emergency contraception like IUDs and Plan B work by preventing either fertilization of an egg or preventing or delaying ovulation. Scientists and doctors say emergency contraception does not impact an existing pregnancy. However, supporters of Personhood laws have claimed that emergency contraception are actually methods of abortion. Personhood laws would ban these methods of contraception. Do you believe emergency contraception such as IUDs and Plan B are methods of abortion?

17.7% Yes
71.2% No
11.1% Unsure

Q10 Women that have miscarriages and ectopic pregnancies receive similar medical treatments to women that have an abortion. Ectopic pregnancies are medical emergencies where an embryo implants in the ovaries or fallopian tubes instead of the uterus. If abortion is illegal under all circumstances, women that miscarry or suffer ectopic pregnancies will have their treatments outlawed and automatically suspect to criminal investigation. Should women be criminally investigated or prosecuted for possibly having an abortion?

- 6.0% Yes
- 83.2% No
- 10.8% Unsure

Q11 The Abortion pill is a combination of two tablets that, according to the US Food and Drug administration, is a “safe and effective way” to end unwanted early pregnancy. The Abortion pill can be consumed within 11 weeks of the pregnancy. Some states allow doctors to prescribe the “abortion pill” through telehealth services. Currently, Mississippi does not. Do you support or oppose allowing doctors to prescribe the “abortion pill” through telehealth services?

- 48.1% Support
- 45.7% Oppose
- 6.2% Unsure

Q12 Do you believe women should be able to access online pharmacies to order the FDA approved “abortion pill”?

- 46.8% Support
- 48.8% Oppose
- 4.4% Unsure

Q13 Next I’d like to read you a summary of a proposed law and ask if you support or oppose. Mississippi’s legislative leaders have proposed bills that require doctors and healthcare providers to issue a report on any woman with symptoms that could have been the result of an abortion, including women that have had a miscarriage or ectopic pregnancy. The new law would require doctors to give data on the woman’s menstrual cycle and whether the woman has visited websites or received contraception or abortion pills by mail. The new law would allow law enforcement officers to access these reports with a court order. Would you favor or oppose such a law?

- 13.4% Support
- 79.1% Oppose
- 7.5% Unsure

Q14 Do you support or oppose laws that allow state officials or police to monitor or review a woman’s internet history to learn if she has used an online pharmacy to order the “abortion pill”?

- 9.6% Support
- 86.4% Oppose
- 4.1% Unsure

Q15 I would like to read you some facts about healthcare outcomes in Mississippi, followed by some questions.

Mississippi experiences the most childhood deaths—34 for every 100,000 children ages 1 to 14. The infant mortality rate is 10.6 for every 1,000 live births, compared to a national rate of 6.8; and African American babies are two and a half times more likely to die in their first year of life than white babies.

Mississippi is also ranked 45th for maternal mortality. Eighteen percent of births in Mississippi are preterm, and 11.8 percent are low birthweight, compared to national rates of 12.3 percent and 8.2 percent, respectively. The teen birth rate is 65.7 per 1,000 females ages 15 to 19 (the U.S. rate is 41.5).

Has the Mississippi legislature made infant mortality and maternal mortality a priority?

- 15.7% Yes
- 64.1% No
- 20.3% Unsure

Q16 Should the Mississippi legislature make infant mortality and maternal mortality a priority?

- 77.7% Yes
- 14.6% No
- 7.7% Unsure

Q17 Mississippi provides health insurance to low-income pregnant women through Medicaid. That coverage ends 60 days after the end of the woman's pregnancy. That is the shortest time period provided in the country. Do you support or oppose extending the Medicaid coverage for new mothers to 12 months?

- 75.8% Support
- 19.6% Oppose
- 4.6% Unsure

Q18 Do you support or oppose expanding Mississippi's Medicaid program to provide health insurance to low-income Mississippians?

- 76.4% Support
- 18.1% Oppose
- 5.6% Unsure

Q19 Do you support or oppose the Mississippi legislature providing funds needed to open Mississippi Health Department offices in each county?

- 87.3% Support
- 9.4% Oppose
- 3.2% Unsure

Q20 Now I'd like to read you the names of some people and organizations involved with setting public policy in this state. After I read the name, please tell me if you have a very favorable opinion, somewhat favorable opinion, a neutral opinion, a somewhat unfavorable opinion, a very unfavorable opinion, or that you don't have enough information to form an opinion.

The first person is Governor Tate Reeves

- 12.5% Very favorable
- 19.2% Somewhat favorable
- 14.2% Neutral
- 12.1% Somewhat unfavorable
- 31.9% Very unfavorable
- 10.1% Not enough information to form an opinion.

Q21 The next person is Lt. Governor Delbert Hosemann

- 9.2% Very favorable
- 20.1% Somewhat favorable
- 16.7% Neutral
- 9.0% Somewhat unfavorable
- 10.3% Very unfavorable
- 34.8% Not enough information to form an opinion.

Q22 The next person is Speaker of the House, Phillip Gunn

- 4.2% Very favorable
- 14.4% Somewhat favorable
- 14.0% Neutral
- 10.0% Somewhat unfavorable
- 12.3% Very unfavorable
- 45.2% Not enough information to form an opinion.

Q23 The next organization is the Mississippi State Legislature

- 5.2% Very favorable
- 17.5% Somewhat favorable
- 19.5% Neutral
- 20.2% Somewhat unfavorable
- 15.1% Very unfavorable
- 22.5% Not enough information to form an opinion.

Q24 For statistical purposes only, what was your age at your last birthday?

- 10.0% 18 to 34
- 14.0% 35 to 44
- 20.0% 45 to 54
- 24.9% 55 to 64
- 30.6% 65 or older
- 0.5% Refused

Q25 Again, for statistical purposes only, what is your ethnicity?

- 31.0% African-American or Black
- 0.5% Asian American
- 62.0% Caucasian or White
- 1.0% Hispanic or Latino
- 2.0% Multiracial
- 1.0% Other
- 2.5% Refused

Q26 And please confirm your gender.

- 55.8% Female
- 44.0% Male
- 0.2% Nonbinary

Q27 What was your highest level of education?

- 31.0% Highschool or less
- 34.5% Some College
- 21.0% Four-year degree
- 13.0% Advanced studies
- 0.5% Refused

Q28 How would you describe your partisan affiliation?

- 22.5% Strong Democrat
- 10.2% Lean Democrat
- 19.5% Neither Democrat nor Republican
- 17.6% Lean Republican
- 28.6% Strong Republican
- 1.8% Refused
